Cashin Field Trip Fund

Many teachers make a field trip to the Canal a highlight of the school year. But some students' families lack funds to pay for modest admission fees. You can help more young people have a memorable Canal field trip experience with a gift to the Edward J. Cashin Young Learners Fund. \$200 funds an entire class of 25; \$10 supports one student.

Canal Keeper Membership Program

Augusta Canal Keepers

For many years a lock keeper lived at the Augusta Canal headgates, attending the canal's safe keeping. Today's Augusta Canal Keepers carry on in that spirit.

Augusta Canal Keepers show their support of this special landscape in many ways. In turn, Keepers are thanked with benefits, discounts, special events, & acknowledgements.

Canal Keepers receive FREE admission to the Discovery Center, Petersburg boat tours, discounts in the gift shop and can participate in membership events throughout the year.

Just like the Augusta Canal itself, Canal Keeper membership is structured in three main levels, each with added benefits.

Spring Canal Keeper Appreciation Boat Cruise. Members enjoy an evening cruise with music and food provided.
