

Dear Musicians,

We're getting ready to start booking our **2012 Augusta Canal Moonlight Music Cruises**. As we have for the past couple of years, we'll offer a spring and fall series every **Friday** night April through June, then again for September and October. Saturday evening availability is requested for future programming but Fridays are our priority at this time.

As some of you know from experience, you'll perform for about one and a half hours on our Petersburg Boat. The boat is a unique, intimate open-air performance venue for audiences of up to 36 passengers who enjoy listening to music as they take a relaxing sunset cruise on the Augusta Canal. (In case of bad weather the performance still goes on inside our museum and everyone gets a rain check for a boat ride.)

You are responsible for bringing all needed equipment for your show (instruments, mics and stands, amps—but don't overdo it on the power consumption.) Space is limited, so we suggest no more than four performers per band.

The performance fee is \$200 per engagement, plus tips. Musicians should allow for at least 30 minutes both before and after the cruise for equipment set-up and teardown.

We strive to present a variety of musical styles on our cruises and plan to offer both some 'old favorites' and new talent (new to the canal cruise, that is.) Because we have a limited number of dates and a lot of interest from potential performers, we cannot guarantee that we will have a place on the schedule for everyone who sends availabilities.

Please let us know your preferred available dates ASAP. Complete the attached data sheet and either email, fax or mail it to Julie Boone jboone@augustacanal.com, fax 706-823-1045. Or call Rebecca Rogers, marketing director 706-823-0440 ext. 3 or Julie Boone, programming & Education, 706-823-0440 extension 2.

We hope to hear from you by **January 17th or sooner**. If selected, we will contact you promptly to confirm your date and send a performance agreement letter for you to sign.
